Among factors the survey takes into consideration are the overall size and success of practices, the quality of service provided to clients, adherence to high standards of industry regulatory compliance, and leadership in “best practices” of wealth management. Portfolio performance is not a factor.

Attendees of the Barron’s Conference were comprised of the independent advisors listed in “Top 100 Independent Financial Advisors”, (August 24, 2015) as well as financial advisors who were chosen by Barron’s or their associated firms.
